Year 5 & 6 Student Requirements 2021

Dear Parent/Carers,

Please note the following personal items that your child will require this year.

Exercise Books: All exercise books required by your child this year will be provided by the school free of cost to you.

Note: Students who do not have their own work items are less productive and often interrupt class mates to borrow.

As students are getting older, items of superior quality are preferable.

HB Pencils x 8	Coloured pencils
Pencil sharpener x2	Red pens for marking x 2
Glue stick x 2	Erasers x 4
Black fine line pen	Blue or Black pens x 6
Scissors	Black permanent marker
Box of tissues	Ruler with centimetres and millimetres
Small liquid soap dispenser	Math Text book (separate note attached)

Book Covers: Books will be coming home in the next few days. Please cover the books with contact (clear or coloured) , paper or the ready made book covers. Each book needs to be labeled with the title and student name. Covering the books not only protects them but also encourages pride in the presentation of work.

Liquid Paper: Please note that students are not permitted to have liquid paper at school.

Thank you for organising these items for your child.

Regards

Rachel Dunne, Graham Enright, Max Thompson, Cherie Enright and Janelle Morgan
